

# shock absorber DYEF-M5-Y1

Part number: 1179818

FESTO

## Data sheet

| Feature                                 | Value                                       |
|---|---|
| Size                                    | M5  |
| Stroke                                  | 1.5 mm                                      |
| Cushioning                              | P cushioning without metal fixed stop       |
| Assembly position                       | Any   |
| Position detection                      | No  |
| Max. impact speed                       | 0.8 m/s                                     |
| Corrosion resistance classification CRC | 2 - Moderate corrosion stress               |
| Ambient temperature                     | 0 ... 60 °C                                 |
| Cushioning length                       | 1.5 mm                                      |
| Max. energy consumption per stroke      | 0.05 J                                      |
| Product weight                          | 3.6 g                                       |
| Mounting type                           | with lock nut                               |
| Materials note                          | Free of copper and PTFE<br>Conforms to RoHS |
| Material seals                          | NBR   |
| Material housing                        | High alloy steel                            |
